Questions

When will I get my items?

There is a 'Delivers' estimate above each item. This tells you when your items are expected to arrive. Once your items have dispatched, you will receive a Dispatch Notification email with a delivery reference number. You can also visit online [Order Status](#) to view the most up-to-date status of your order.

If you ordered multiple items and have chosen to receive separate shipments, you'll receive a separate email as each item ships.

How do I view or change my order?
