<sup>1</sup> This includes interests held by a Director that are directly relevant to his/her position within IPSA. It is not a list of all financial interests including all investments or loans held by a Director. It indicates where financial interests are held in a blind trust held independently from the owner so that a Director is shielded from involvement in their management.

<sup>2</sup> Shareholdings are not listed where they are de minimis in nature

<sup>3</sup> In line with the Registers of Interest in the Houses of Parliament, property owned and/or occupied by Directors for their own use is not included in the list.

## **ANY OTHER RELEVANT INTERESTS**

As previously disclosed, I act as an IPSA trustee of the Parliamentary Contributory Pension Fund (PCPF). This is an unremunerated position that involves me attending approximately 12 meetings per year. On some occasions the PCPF trustees discuss issues concerning IPSA's policy towards the PCPF; to avoid any perceived conflict of interest between my responsibility as a trustee to protect the interest of PCPF members and my responsibilities as a member of IPSA's senior executive, I do not take an active part in such discussions. I take the same approach to pension policy discussions within IPSA. I have made a standing declaration of interest to the PCPF Chair and secretariat.
