

My Degroof
Petercam
Luxembourg:
keeping you
up to date on
your portfolios!

What is My Degroof Petercam Luxembourg?

It is an online platform that allows you to access your portfolio whenever and wherever you want. My Degroof Petercam Luxembourg is available on smartphone, iPad and computer (PC and Mac).

Choosing My Degroof Petercam Luxembourg offers:

The freedom to access your portfolio whenever and wherever you want.

The autonomy to access your information transparently.

Information control by allowing you to track your portfolio data.

A clear overview of your assets and their performance by allowing you to consult data from different angles and print what you are interested in.

Peace of mind, allowing you to focus on other things. You know that everything is under control and available at all times (24/7).

Focus on the essentials in meetings with your private banker, such as discussing market developments or the valuation of your portfolio.

A secure way to access your accounts significantly more reliably than by post or e-mail.

Stay connected to the world and receive news related to your portfolio (via smartphone notifications).

A free, user-friendly tool that you can activate in discreet mode on your smartphone.

Fast access to information through identification via code, fingerprint or facial recognition.

To de-clutter your mailbox by reducing daily post such as transaction notices.

To make a contribution to reducing waste (paper, ink, etc.) and protecting our planet.

My Degroof Petercam Luxembourg also:

- Saves you time and gives you autonomy by providing you a clear and dynamic overview of your portfolios: by asset class, geographical area, etc.
- Gives you easy and secure access to your portfolio, by allowing you to monitor the performance of your investment returns by selecting the period of time you are interested in
- Reduces the risks associated with sending letters and e-mails, by making it possible for you to consult and print your management reports
