- Technology
- Energy

Case study - Bespoke crime coverage including invoice manipulation

Challenge

- Limits above \$250,000 for Invoice Manipulation (IM), coverages are traditionally unattainable in local and London markets
- High frequency of claims and differing opinions among carriers on whether IM claims constitute a direct financial loss to the insured

Approach

- Collaborated closely with one of our broker partners to address the coverage gap
- Engaged in extensive negotiations of policy wording and application forms

Outcome

- Developed a unique crime insurance offering, providing full IM coverage limits for an array of commercial clients
- Created a sellable and affordable solution, showcasing our team's dedication to clients and problem solving abilities
