Up to now, you have planted...

13,396 Trees

Reforestation will help reverse climate change, but trees can be fragile and take time to grow, so to ensure carbon emissions are removed as quickly as possible, each tree is assigned to a share of a UN CER renewable energy program.

[VIEW TREES](#)

You have compensated...

2,198 tn

through investment into United Nations Certified Emissions Reduction (CER) programs. These carbon credits are suitable for conformity and mandatory reporting.

THIS MONTH, PLEASE PLANT AND COMPENSATE...

4,716 Trees

774 tn

[APPROVE REPORT](#)

Trees4Travel has planted in a number of locations, Kenya, Nepal, Mozambique, Haiti. So far, we have achieved the following:

Planting 467,512

Assigned 1,073,950

equal to 176,235 tn

Total 1,541,462

which covers:

- 7,028,551,563 kms by train
- flying economy 1,029,311,277 kms
- flying business 580,843,625 kms
- driving 1,047,464,915 kms by car
- hiring a car for 8,559,261 days
- staying for 11,370,012 nights in a hotel
- 5,685,006 nights in a rental - that's 15,575 years!
- 185,261 economy flights from London to New York
- travelling around the world 175,384 times by train
- or a 1,545,922 day cruise - that's a long cruise

Today, our reforestation will cover 671 hectares or 1,657 football pitches and with your help we will continue to rewild our planet
