

## US Complex Liability

# Heavy Auto Exposure.

Our deep market expertise relationships allow us to provide comprehensive and flexible coverage options to the unique needs of trucking and non-trucking companies.

### About us

- US Complex Liability team launched in 2018
- Independent corporate platform
- In house/in situ claims, processing teams sitting alongside the broking team
- In house actuarial, metereological and tech innovation resources working in concert with the placement team
- Effective, competitive and cohesive single approach across London/Europe and Bermuda
- Experienced and tenacious teams with unrivalled market relationships and knowledge of the London/Europe and Bermuda marketplace

### Core coverage

- General Liability
- Primary Liability and Lead Umbrella
- Standalone Wildfire Liability
- Auto Liability
- Excess Liability
- Punitive Wraps
- Products Liability
- Deductible Buy-downs
- Structured Multi-Year, Multi-Line Solutions
- Construction, Wrapups, OCIPs and CCIPs
- Facultative Reinsurance, Binders and Lineslips
- Environmental – Site Pollution Liability

I can't tell you how much our team, and more importantly, the client appreciates all of your efforts, professionalism and dedication that went into building this tower. Your ability to provide additional capacity to fill out these expanded limits was incredibly helpful. We could not have successfully secured these expanded limits without your thought leadership and strategic approach to all placements."

A LEADING US LOGISTICS ORGANISATION
