Areas of expertise

Claims

The BMS claims teams works closely with our brokers and account handlers throughout the claims handling process, so as to fully understand the risk. To deliver the full claims processing, negotiating, collection and settlement service we have a 20+ person claims team across the UK.

A true advocacy service assisting our retail partners and the ultimate client in every aspect of the claims process.

- The depth and experience of handling complex claims
- Where applicable, assisting in administration of an insureds aggregate retentions
- Encouraging clients to meet and develop relationships with the claims personnel of the lead syndicates prior to the loss occurring
- Post claims stewardship meetings to look at lessons learned

BMS's market knowledge and insight help to deliver the bespoke coverage we require, often in the most challenging of circumstances.

Through large losses and changing market cycles, the team at BMS always finds a way to deliver a product that best fits our needs..."
