

HAYVN appoints Walid Benothman to Advisory Board

London, Singapore, Abu Dhabi, 22 Feb 2021: HAYVN, the global digital currencies platform, is pleased to announce that it has appointed Walid Benothman to its Advisory Board.

Walid is a Managing Director at Curv, HAYVN's wallet and security provider. Prior to Curv, Walid was responsible for Ripple's Middle East and North Africa franchise, building partnerships with Financial Institutions (Banks, Money Service Business, Payment networks) and partners to deploy and scale the Ripple ecosystem.

Christopher Flinos, HAYVN Managing Director and Co-Founder, said: "Walid brings us direct access to the global cryptocurrency and financial markets community. His experience and status gives him the unparalleled ability to bring together founders, decision makers and heads of business. As the world's first digital currency focused investment banking platform, Walid's advice and guidance is invaluable for us as we continue to grow the HAYVN platform."

Commenting on his appointment, Walid said: "I am excited to join the HAYVN Advisory Board at such a pivotal moment in the company's growth and look forward to leveraging my past experience to provide advice. Great businesses are driven by great people and the HAYVN business has a strong and passionate leadership team. I was quickly convinced this is a business that will change the world of finance forever and look forward to contributing to that."

About HAYVN:

HAYVN is the global standard in institutional digital currency platforms. Our platform provides secure OTC trading and custody capabilities, enabling customers to trade digital currencies simply, safely and efficiently. Breaking through the complexity of digital currency trading and custody, HAYVN provides unprecedented levels of transparency, security, compliance and best execution practices, bringing unique trading opportunities to our clients and the markets in which we operate.
