

## **HAYVN appoints Stewart Calvy to Advisory Board**

**London, Singapore, Abu Dhabi, 14 Feb 2021:** HAYVN, the global digital currencies platform, is pleased to announce that it has appointed Stewart Calvy to its Advisory Board.

Stewart has over three decades of capital markets experience, primarily in the trading and execution in Emerging and Frontier Equity Markets. Stewart brings to HAYVN his deep experience, including a 17 year career at ING Bank in London and Hong Kong as Managing Director of EMEA Global Equity Trading and Execution. During his extensive career, Stewart participated in the evolution of equity trading to the fully electronic market place we see today.

Christopher Flinos, HAYVN Managing Director and Co-Founder, said: “Stewart gives HAYVN senior electronic trading experience pivoted into the digital asset space and is a key advocate for the integration of digital assets into global capital markets. As capital markets continue to transform, Stewart’s guidance will be critical in ensuring HAYVN is ahead of the curve in developing into a full service institutional cryptocurrency investment banking platform.”

Commenting on his appointment, Stewart said: “I’m excited to be joining HAYVN’s advisor board and to work with such a strong management and technology team. The potential of what we can achieve here at HAYVN will be incredibly interesting and rewarding. Building the firm’s Asset Management, Structured Products and Institutional trading business will be my key priorities.”

### **About HAYVN:**

HAYVN is the global standard in institutional digital currency platforms. Our platform provides secure OTC trading, custody, and research capabilities, enabling customers to trade digital currencies simply, safely and efficiently. Breaking through the complexity of digital currency trading and custody, HAYVN provides unprecedented levels of transparency, security, compliance and best execution practices, bringing unique trading opportunities to our clients and the markets in which we operate. HAYVN has in-principle approval to operate a crypto asset platform in Abu Dhabi Global Market.
