

HAYVN appoints James Bishop as Chief Strategy Officer

London, Singapore, Abu Dhabi, 02 April 2020: HAYVN, the global digital currencies platform, is pleased to announce that it has appointed James Bishop as Chief Strategy Officer.

James is a highly-accomplished, strategic, and forward-looking executive who has risen through a series of increasingly complex senior positions while consistently performing above expectations. He brings more than twenty years of senior across LATAM, US and European markets. Adept at guiding companies to achieve higher levels of performance, including a quantifiable record of increasing profits and shareholder value. Recognized for specific skills in global strategic and professional services, he holds a BA (Hons) in Political Philosophy and Economics from the University of Oxford and has a law degree from William Mitchell College of Law, Minneapolis.

Christopher Flinos, HAYVN Co-Founder, said: "James joining HAYVN is one of our most important hires. Our world, and our industry is going through a period of great change. So many amazing opportunities will come from this and James will be leading HAYVN's efforts to capitalise."

Commenting on his appointment, James said: "I'm delighted to be joining HAYVN and to work with such a strong management team. Leading the strategy of the organisation is a challenge that I look forward to. There are so many exciting changes throughout the world which will lead to so many opportunities for a business like HAYVN. I look forward to seeing what the future brings for us."

About HAYVN:

HAYVN is the new global standard in institutional digital currency platforms. Our platform provides secure OTC trading, custody, and research capabilities, enabling customers to trade digital currencies simply, safely and efficiently. Breaking through the complexity of digital currency trading and custody, HAYVN provides unprecedented levels of transparency, security, compliance and best execution practices, bringing unique trading opportunities to our clients and the markets in which we operate. HAYVN has in-principle approval to operate a crypto asset platform in Abu Dhabi Global Market and aims to carry out specific regulated activities as soon as it receives the final regulatory approval.
