

## **HAYVN appoints Michael Sayre as Chief Commercial Officer**

**London, Singapore, Abu Dhabi, 05 May 2020:** HAYVN, the global digital currencies platform, is pleased to announce that it has appointed Michael Sayre as Chief Commercial Officer.

Michael has over 15 years of extensive leadership experience in the financial technology industry. He has worked with Fortune 500 and 100 companies, cutting edge fin-tech startups, exchanges, banks and financial institutions to create world-class digital financial products. Michael previously ran the client services division for Cognizant, one of the world's top 5 largest consulting firms for Europe and UK. After Cognizant, Mike co-founded a fin-tech agency & software development firm which was subsequently acquired in 2016.

He has a passion for sharing his journey; and has spoken around the world at startup organizations, accelerators, networking events and creative associations and is originally from Seattle, Washington USA.

Christopher Flinos, HAYVN Co-Founder, said: "Michael joining HAYVN is one of our most strategic hires. A world leader in technology, innovation, and digital transformation such as Michael will ensure that HAYVN's platform matches our commercial spirit and ambition. His track record of delivering and leading financial trading platforms made him the perfect choice for HAYVN at this stage of our growth."

Commenting on his appointment, Michael said: "I'm excited to be joining HAYVN and to work with such a strong management and technology team. The potential of what we can achieve here at HAYVN in terms of accelerating the business, growing the platform and connecting the dots will be incredibly interesting and rewarding."

### **About HAYVN:**

HAYVN is the new global standard in institutional digital currency platforms. Our platform provides secure OTC trading, custody, and research capabilities, enabling customers to trade digital currencies simply, safely and efficiently. Breaking through the complexity of digital currency trading and custody, HAYVN provides unprecedented levels of transparency, security, compliance and best execution practices, bringing unique trading opportunities to our clients and the markets in which we operate. HAYVN has in-principle approval to operate a crypto asset platform in Abu Dhabi Global Market and aims to carry out specific regulated activities as soon as it receives the final regulatory approval.
