

TROJAN[®] AES AGM LIFTPACK[™]

LIFTING YOUR UPTIME TO NEW HEIGHTS

Give your 24V Class III pallet jacks a lift in reliability and performance with the new Trojan AES AGM LiftPack[™]. The rugged, all-in-one power and charger pack gives you up to 3x longer cycle life than standard AGM batteries, opportunity charging, and no maintenance — all backed by Trojan's industry-leading 3-year warranty.

LASTS LONGER

Delivers up to 3x greater cycle life than other AGM brands. Save money on replacements long-term.

OPPORTUNITY CHARGING

Take advantage of shift changes and employee breaks. LiftPack is not harmed by partial charging.

COMPELLING WARRANTY

LiftPack boasts the industry's leading warranty, backed by a trusted 100-year old brand.

ALL-IN-ONE POWER & CHARGER SOLUTION

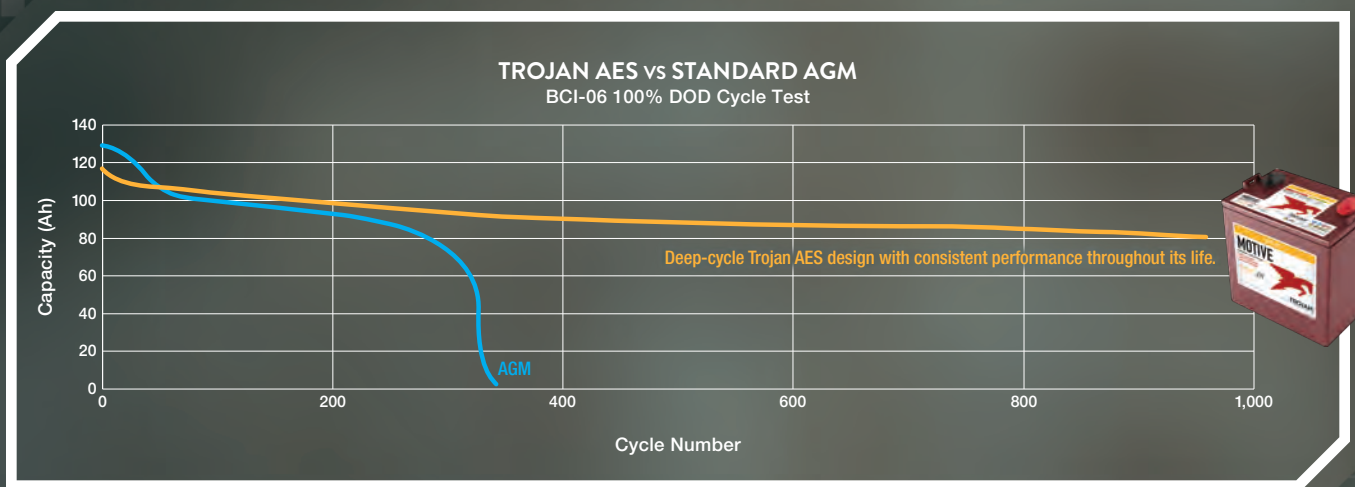

A Trojan LiftPack includes (4) Trojan T105-AES AGM 6V batteries, a premium 650W onboard charger, and a universal SB175 black connector — all in a durable, powder-coated steel case that makes installation fast and easy. They are available in three sizes using the part numbers below:

SYS00596: 27.3 x 7.5 x 26.2 in

SYS00597: 26.5 x 7.5 x 26.2 in

SYS00598: 25.3 x 8.5 x 26.2 in

The “AES” in “Trojan AES AGM” stands for “advanced energy storage” and is Trojan’s latest deep-cycle battery breakthrough, offering up to 3X the cycle life of standard AGM, great performance in extreme temperatures, and withstanding PSoC again and again. We gave AGM batteries a facelift to give you longer-lasting batteries.

TROJAN AES AGM BATTERY BENEFITS:

- Up to 3X longer cycle life than traditional AGM batteries (validated at 1,200 cycle at 100% DoD vs. 400 cycles for AGM)
- Opportunity charging during short breaks without harming the batteries
- Maintenance-free
- A long 5-Year expected lifetime
- Temperature compensated charging
- Performs well in extreme temperatures (i.e. cold storage) — temperature range from -40°F to 140°F (-40°C to 60°C).
- Tested to withstand Partial State of Charge (PSoC) operation, again and again
- Non-spillable
- 99% recyclable

WHY TROJAN?

For nearly 100 years, we have helped shape deep-cycle battery technology. We offer:

- A complete range of premium deep-cycle flooded lead acid, Trojan AES AGM, and lithium-ion batteries
- An expert, U.S.-based Technical Support Team
- A worldwide network of Master Distributors and Authorized Trojan Dealers
