

EXTENDED-RANGE 48V

GET ONE FOR THE ROAD.

The 48-volt Trojan Lithium OnePack™ Extended Range (XR) is engineered to change your mind about electric vehicle performance. With up to a 75-mile range, we ended the notion, “I don’t trust my batteries to go that far.” So, whether playing a double-round or road-tripping within a sprawling master-planned community, the 171 amp-hour battery pack powers friends and family all day and then gets everyone home safely with plenty of energy for tomorrow’s adventures.

- Unmatched 100 years of innovative power solutions
- Pioneered the 1st deep-cycle golf car battery, transforming the golf industry
- Over 600 worldwide dealers and locations

- Ideal for large master-planned communities
- Zippy acceleration makes your current car feel brand new
- Partial opportunity charging will not harm charge capacity

- Self-protecting Battery Management System
- Safe lithium-iron-phosphate formula and superior copper components
- Independent and redundant secondary control circuits
- Emergency mechanical fuses

- 10-year warranty
- Expect 10 or more years before needing battery replacement
- Reduced lifetime cost of ownership compared to gas

NUMBER OF BATTERIES NEEDED (IN ONE VEHICLE, OVER 10 YEARS)

VS.

TROJAN LITHIUM
ONEPACK™

(\$\$)

FLOODED LEAD ACID (\$\$\$\$)

*You only need one Trojan Lithium OnePack XR battery vs. six (6V) flooded lead acid in a 48V vehicle. Over ten years that equals one lithium-ion battery versus 24 lead acid batteries.***

TROJAN LITHIUM ONEPACK BUNDLE

Trojan offers complete bundles to get you powered up fast. Bundle includes:

- Trojan Lithium OnePack
- Dashboard Gauge Kit & Power Button
- Charger Kit
- Battery Mounting Kit
- AC Plug Adapter

WHY TROJAN?

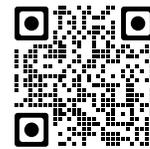

For over 100 years, we have helped shape deep-cycle battery technology. We offer:

- A complete range of premium deep-cycle flooded lead acid, Trojan AES AGM, and lithium-ion batteries
- An expert Technical Support Team
- A worldwide network of Master Distributors and Authorized Trojan Dealers

Scan for the Charger Compatibility Guide. Consult your Trojan Authorized Dealer for charger algorithm updates and support.

Visit trojanbattery.com to learn more and find your local Trojan Authorized Dealer.

* Front & Back Page: Actual driving range will vary depending on factors including, but not limited to, temperature, load, terrain, and equipment.
** Back Page: Based on a 2-person low speed vehicle with standard stock motor controller. Assuming the need to replace lead acid batteries four times over ten years.
