

# TROJAN BATTERY COMPANY MATERIAL HANDLING

## Downtime is Defeated with Trojan Battery Material Handling Solutions

In the material handling industry, time is quite literally money. When inoperable equipment is unacceptable, and reliable power is a requirement, Trojan's portfolio of flooded lead-acid, AES AGM, and lithium-ion solutions is standing at the ready. Trojan's entire fleet of batteries are built to last with long run times, fast charging, and minimal to no maintenance.

## THREE TECHNOLOGIES. ONE MAROON STANDARD.

### AES AGM

#### LONG-LASTING POWER WITH VIRTUALLY ZERO MAINTENANCE

- Maintenance-free battery
- Validated to last up to 3x as long as standard AGM battery (1,200 cycles)
- Opportunity charging
- Built for extreme temperatures

### FLOODED LEAD ACID

#### TROJAN LEAD HAS BEEN PERFORMING FOR OVER 100 YEARS

- Proven reliability and performance for over a century
- Advanced technology such as Maxguard® Advanced Design Separator and Alpha Plus® paste
- Single-point watering system
- Low self-discharge when not in use

### LITHIUM-ION

#### TROJAN LITHIUM IS BUILT FOR LONGEVITY, RELIABILITY, AND SAFETY

- Full portfolio including 36, 48, and 72-volt options
- Opportunity charging capable
- High amp outputs built for large people movers
- Maintenance free design with extra safety features

# TROJAN AES AGM LIFTPACK

Purpose-built for Class III pallet jacks and stackers, Trojan's AES AGM LiftPack offers easy installation, opportunity charging, and long cycles to keep the floor efficient and downtime to a minimum.

- Up to 3x the battery life of standard AGM product
- Ready for temperatures as hot as 140° F and as cold as -40° F
- Opportunity charging capable, durable, and quick to install

**“SINCE PUTTING THE TROJAN AES LIFTPACK IN OUR PALLET JACK, IT HAS LASTED LONGER BETWEEN RECHARGES THAN THE PREVIOUS BATTERY PACKS THAT WE’VE USED. WE LOVE THIS PRODUCT.”**

**DAN RASMUSSEN** ➤ ATLANTIC BATTERY SYSTEMS

## WAREHOUSE EFFICIENCY POWERED BY THE MAROON STANDARD

Trojan offers reliable power for a variety of machines.

- Class III jacks and stackers
- Utility vehicles
- Floor cleaners
- People movers
- And more...
