CONSTRUCTION SHORING & EXCAVATION NOTICE

Parking Garage Construction on the Cherry Creek West Redevelopment Site Begins December 2026

Construction excavation and shoring for Cherry Creek West Underground Parking Garage is expected to begin in **December 2026** and continue through **Summer 2027.** We are committed to being a good neighbor by operating safely and responsibly throughout construction. Progress updates are available at www.cherrycreekwest.com.

Thank you for your patience as we begin this important phase of the project.

What to Expect:

- Temporary construction fencing around the site.
- Construction crews and construction equipment onsite.
- Increased truck traffic within designated haul routes.
- Clearly marked construction entrances and pedestrian paths.

Safety & Site Access:

- The site will be **fully fenced and secured.**
- **No public access** is allowed inside the construction area.
- All workers complete site-specific safety training and follow a strict Code of Conduct.

Minimizing Neighborhood Impacts:

- Designated truck routes, delivery entrances, and pedestrian access points are shown in the site logistics graphic on the next page.
- All construction parking for this work will be located within the construction fencing or rented spaces in the shopping center parking garage. Crews will not park in the surrounding neighborhoods.
- Dust, noise, and erosion control measures will be in place.
- Construction activity will comply with City and County of Denver work hours:
  - **Weekdays:** 7:00 a.m. – 9:00 p.m.
  - **Weekends:** 8:00 a.m. – 5:00 p.m.
