

Galápagos Islands

EARN 10% BONUS COMMISSION

Book a 2022 or 2023
Hurtigruten Expeditions
Galápagos cruise aboard
MS Santa Cruz II between
October 1 and December 31,
2022, and earn **10% bonus
commission**. *It's that easy!*

The Galápagos Islands are on every
adventure traveler's bucket-list. Arguably,
no where else on earth will you find the
wild beauty and unique ecology of the
Galápagos Islands.

Your clients can get closer to nature with
included activities: hiking with certified
naturalists, kayaking on crystal blue
waters, snorkeling with playful seals,
and more.

And, they'll be on the lookout for
the so-called 'Big 15' – the 15 most
iconic animal and bird species of the
Galápagos, including giant tortoises,
marine iguanas, Blue-footed Boobies,
and others.

Don't miss this special opportunity to
earn **10% bonus commission** while
sending your clients on an adventure
of a lifetime.

*10% bonus commission offer valid for new, qualifying Galápagos cruises booked between October 1, 2022 and December 31, 2022. Qualifying Galápagos itineraries include all 2022 and 2023 cruises aboard MS Santa Cruz II. Bonus commission is in addition to standard commission, and is paid 30 days post sailing with standard commission payout. Interline, agent rate, and cancelled bookings do not qualify. Combinable with "Just Book 3, You Cruise Free" offer, groups, single supplement waiver, Ambassador program, and Young Explorer's program. Hurtigruten Expeditions reserves the right to end the 10% bonus commission offer without notice. Non-transferable. Other restrictions may apply. To book your cruise, call Hurtigruten Expeditions at (866) 552-0371.

Black volcanic rocks, white-sand beaches, sapphire-blue waters, and sherbet horizons. The amazing wildlife and rugged natural beauty of the Galápagos Islands await your discovery.

Our Expedition Team of experts serve as invaluable hosts during your expedition, guiding you through a wide range of activities both ashore and on board, and imparting their extensive knowledge through informative lectures.

*Activities vary depending upon island.
