

Yoto Mini Speaker for Kids Recall April 11, 2024

April 11: Yoto is recalling about 251,165 of their Yoto Mini portable screen-free speakers due to the potential risk of burns or fire hazards from the battery overheating.

Product(s) affected: Yoto Mini portable speakers for children ages 3 - 12. The recalled speakers are pale gray with orange controls and have a pixel display. The affected SKU is PRPLXX00860. These speakers were sold at Amazon.com, Target.com, Maisonette.com, US.YotoPlay.com, and toy and gift stores between Nov. 2021 - April 2024.

What to do if you have the product(s): Stop using the product immediately. [Contact Yoto](#) for a free replacement smart charging cable. You'll need the email address associated with your Yoto Mini login and the Yoto Mini Speaker serial number. Plus, you'll need to cut your existing Yoto Mini USB charging cable and submit a photo (after you cut it) via the above link.
