

Delta Bicycle Stem Raisers Recall April 11, 2024

April 11: Delta Cycle is recalling about 500,000 Delta Cycle and Dimension Bicycle Stem Raisers due to risk of a fall if the Stem Raiser shifts during use, causing the bicycle's handlebar to shift suddenly.

Product(s) affected: Delta Cycle and Dimension Bicycle Stem Raisers (sold in black and silver, between 5 - 7 inches long) sold at REI and other bicycle shops, Amazon.com, DesignByDelta.com between Jan. 1998 - Jan. 2024. Affected Stem Raisers have the following model numbers:

Delta Cycle and Dimension

- TD3318B
- TD3318S
- TD3418B

Delta Cycle

- TD3418S

Dimension

- SM1977
- SM1979

What to do if you have the product(s): Immediately stop using the product and [contact Delta Cycle](#) to schedule a free repair at a local independent bicycle dealer.
