

HMC Peaches, Plums, and Nectarines Recall Nov. 17, 2023

Nov. 17: HMC Farms, has voluntarily recalled whole peaches, plums, and nectarines sold at retail stores between May 1 and Nov. 15, 2022, and between May 1 and Nov. 15, 2023, due to potential contamination with *Listeria monocytogenes*. This bacteria can cause severe infections, especially in vulnerable individuals. The recalled peaches have been linked to an outbreak where 11 people have gotten sick.

Products affected: The recall includes whole peaches, plums, and nectarines sold individually with PLU stickers or in consumer packaging. The affected products were distributed nationwide.

- Peaches, Nectarines, and Plums in two-pound bags branded as “HMC Farms” or “Signature Farms.”
- Individual Yellow Peaches with stickers labeled “USA-E-U” and bearing the numbers 4044 or 4038.
- Individual White Peaches with stickers labeled “USA-E-U” and bearing the number 4401.
- Individual Yellow Nectarines with stickers labeled “USA-E-U” and bearing the numbers 4036 or 4378.

- Individual White Nectarines with stickers labeled “USA-E-U” and bearing the number 3035.
- Individual Red Plums with stickers labeled “USA-E-U” and bearing the number 4042.
- Individual Black Plums with stickers labeled “USA-E-U” and bearing the number 4040.

What to do if you have the product(s): Check your freezer for the recalled fruit, refrain from consuming it, and dispose of it. For more info, call 844-483-3867, Monday-Friday, 8:00 a.m. – 8:00 p.m. Eastern Time.
