

Innovation at the Speed of Science

HealthCare Support partners with innovative biotechnology companies advancing scientific discovery and developing breakthrough therapies. We connect organizations with highly skilled scientific and technical professionals who support research, development and the delivery of life-changing treatments.

HealthCare Support provides temporary, temporary-to-permanent, direct placement and travel nursing staffing services nationwide.

HEALTHCARE HR EXECUTIVE CLIENT

The HealthCare Support Difference

Your Trusted Staffing Partner

We listen. We care. We build relationships.

Custom Delivery Teams

Vertically aligned, single point of contact strategically directs our team to meet your goals.

Healthcare Expertise

We are specialists who have past performance and core competencies not only in healthcare staffing, but also directly in your organization's area of care.

Compliance Tailored for Your Organization

We mirror your pre-employment onboarding requirements and are TJC and HIPAA compliant.

Lower Attrition Rates

Our engagement specialists, quality management planning and advanced technology deliver high-caliber candidates.

Transparent Reporting

Get insights into key performance including candidate submissions, interviews, offers, hires, time to fill and more.

HealthCare Support is a part of the Ingenovis Health family of companies, working together across different facets of the healthcare staffing industry from clinical and non-clinical recruiting to strike support, program development, consulting and beyond.

"HealthCare Support has been a tremendous partner to our organization for nearly 18 months now, providing consistent, urgent support to our communities and objective, transparent discussions and strategies with leadership.

Both our contacts have been great to work with, assisting with both contract and direct hire, respectively, while providing valuable insight throughout the partnership.

I highly recommend their services to anyone in the healthcare space who may be in need of urgent placement or strategic support in staffing."
