

BJÖRTULOFT

Tech packages for banquets and events

Björtuloft makes an elegant and unusual setting for special gatherings, such as private corporate banquets, meetings or any private events. With a private balcony Björtuloft offers nothing short of spectacular views of the city and is a venue that your guests won't forget!

Our event specialists have a great deal of experience and knowledge when it comes to sound systems, lighting and stage design and how to combine those with your technical requirements.

We offer three different tech packages but we also make tailor-made offers according to your needs. Please contact conferences@harpa.is for more information.
