- Other expenses are invoiced as specified in the contract.
- Terms of payment: 14 days, net.
Penalty interest in accordance with Icelandic law.

About Harpa

Harpa is one of Reykjavik's greatest and distinguished landmarks. It is by the picturesque Reykjavik harbour in the city centre and features stunning views of the surrounding mountains and the North Atlantic Ocean.

Everything you need is within reach, like hotels, restaurants, museums, art galleries and shopping as well as various activities and sightseeing in Iceland's exotic nature. The venue offers the best facilities for conferences and events in Northern Europe.

Harpa has received numerous awards and prizes since opening in 2011 such as the Travel + Leisure magazine's best performance venue, the Best MICE Centre in Northern Europe and most recently the best conference venue in Europe by Business Destination Magazine.

Elborg

The main hall, Eldborg, is designed to provide the audience with an unforgettable experience in numerous ways.

Hörpuhorn (Harpa corner) is an open space located in front of the hall. This magnificent space is ideal for coffee breaks or receptions related to events in Eldborg.

Equipment

Stage, podium, recording devices, projector and a large projection screen as well as state-of-the-art sound system and lighting equipment.

size	1,008 m ²
capacity	1,630 seats
ceiling height	23 m

Silfurberg A/B

Silfurberg conference hall features the best available technological equipment. The hall can be divided into two separate halls with a soundproof retractable partition. Each hall accommodates around 300 seated guests.

Eyri is a bright and beautiful open space right in front of the hall. It is especially well suited for exhibitions, coffee breaks, or standing receptions in relation to events held in Silfurberg.

Equipment

Translation booths, stage, podium, projector, projection screen, and state-of-the-art light and sound system.

size	735 m ²
capacity	840 seats
ceiling height	7,7 m

Norðurljós

Norðurljós recital hall is the perfect setting for all all kinds of events. The hall is equipped with custom-designed lighting equipment that can be configured in a number of coloured themes, creating the most suitable atmosphere for your event.

Two soundproofed portals connect Norðurljós and Silfurberg, so that the two halls can easily be used together for larger events.

Equipment

Stage, podium, projector, projection screen, sound system and custom-designed lighting in walls.

size	540 m2
capacity	540 seats
ceiling height	10 m

Kaldalón

Kaldalón auditorium is especially well suited for smaller conferences, meetings and lectures. The seating in Kaldalón is stationary, on a fixed gradient down to the stage area. The stage itself is moveable and the floor can also be used as a platform for lecturers.

Norðurbryggja is an open space in front of Kaldalón where you can enjoy a breathtaking view over the old harbour of Reykjavík. The space is especially well suited for receptions and exhibitions.

Equipment

Projector, projection screen, podium, custom-designed lighting in walls and fixed seats with built-in tables.

size	198 m2
capacity	161 seats
ceiling height	8,5 m

Björtuloft

Björtuloft reception hall is a unique setting for gala dinners, receptions, and private events. The hall is on two levels, with balconies and a breathtaking view over the city centre.

Equipment

Stage, podium, projector and projection screen.

size	400 m ²
capacity	110 seats
ceiling height	2,7 m

Háaloft

A unique hall on the top floor of Harpa, with an unmatched view over the bay, mountain range and Snæfellsjökull glacier.

The hall can be used simultaneously with Björtuloft for larger events, since the two halls are connected.

Equipment

Stage, podium, projector and projection screen.

size	200 m ²
capacity	100 seats
ceiling height	3,5 m

Meeting rooms

Harpa offers a wide range of rooms for meetings of all shapes and sizes. All of our meeting rooms offer a wide screen and online conference equipment.

In Harpa you are sure to find a meeting room that suits your needs. Vísa, Stemma, Nes, Vík, Vör or Sund; pick the one that best fits your group.

Exhibition and reception areas

Harpa offers a range of attractive and adaptable spaces that can be used for a variety of events.

The main exhibition area, Flói, located on the ground floor, has an easy access to all operations and services. It is perfectly suited for receptions and exhibitions as well as banquets and gala dinners.

Total exhibition area: 2,500 m²

Catering

Harpa Catering Service offers catering for all types of events. The primary theme in our catering is a new Icelandic cuisine, where traditional Icelandic dishes are served in an innovative way. Our menus are seasonal and cooked from the freshest seasonal ingredients.

Contact Harpa Catering Service for a custom solution.

Our green policy

Renewable Energy

- Nearly all energy consumed in Icelandic households and businesses comes from clean renewable hydroelectric and geothermal energy sources.
- Harpa is connected to the Icelandic power grid, which has one of the highest uptimes in the world.
- The facade is made of glass, resulting in a reduction in lighting cost.

Recycled Waste

- All waste in Harpa's operation is sorted, and all recyclable waste is recycled.

High Quality Water

- The water used in Harpa comes from water reserves located on the outskirts of Reykjavík.
- The water is of the highest quality, and no treatment is required before it is distributed to consumers.

Food and beverage management

- Our catering department works with eco responsible suppliers and uses local and seasonal products.
- All food rests are donated to non-profit charitable organizations.
- Enjoy pure Icelandic water out of biodegradable cups – it's free.
