

RVX2-CNR

INSTALLATION SHEET

The Redvision external corner bracket provides elegant mounting for the Redvision X-Series range. To facilitate mounting a dome to the corner of a building, the appropriate wall bracket is required in conjunction with the RVX2-CNR bracket.

Fixings required to mount the corner bracket will depend upon the fixing surface. It is important to use adequate quality fixings to safely support the complete dome assembly.

Attach the appropriate wall bracket securely to the RVX2-CNR bracket using the supplied fixings.

Contents

- 1 x RVX2 Corner Bracket
