DAZN FAST and DAZN RISE now on Zattoo in Germany and Austria

Berlin, 31st May 2023 – Just in time for the final of the UEFA Women's Champions League, the channels DAZN FAST and DAZN RISE are now available on the TV streaming provider Zattoo in Germany and Austria. Thanks to this collaboration, users at Zattoo can watch exciting programme highlights from the top international leagues LaLiga, Serie A and Ligue 1, as well as the best women's sports. Zattoo is the first TV streaming provider on the market to simultaneously launch DAZN FAST and DAZN RISE in both Germany and Austria.

Zattoo users can now find the two new channels DAZN FAST and DAZN RISE in their channel list. The channels are available for all Zattoo subscriptions and, in Germany, also for users of the ad-supported free model.

"We are pleased to further expand our offer for users interested in sports with DAZN FAST and DAZN RISE. The interest in the women's sports leagues is increasing especially, and we can cater to this with DAZN RISE," explains Constanze Gilles, General Manager Direct-to-Consumer at Zattoo. "Zattoo deliberately positions itself as an alternative to classic cable television and also focuses on content that cable customers do not have today."

Alice Mascia, CEO of DAZN in the DACH region, says: "We are delighted to be able to launch DAZN RISE and DAZN FAST on Zattoo in Germany and Austria perfectly in time for the final of the UEFA Women's Champions League. Our goal is to make our free-to-air offer accessible to as many sports fans as possible. It's therefore very important for fans to be able to access the channels on the biggest platforms, and Zattoo is definitely one of the most popular TV streaming platforms in the region."

DAZN FAST: Documentaries, highlights, features, shows and re-live matches

DAZN FAST is a free-to-air channel and offers an extensive selection from the DAZN programme catalogue, such as highlight clips and entire matches in re-live from the top international leagues LaLiga, Serie A and Ligue 1, or cup competitions, such as the English FA Cup and Carabao Cup. Documentary series and DAZN Originals can also be watched on DAZN FAST, as well as segments from the series "Decoded" and "Unfiltered".

DAZN RISE: The first women's sports channel for all

DAZN RISE shows the best women's sport in one place 24/7, with a selection of live and highlights content from the UEFA Women's Champions League, the French and Spanish first leagues, and, from September, the women's Bundesliga, as well as golf, handball, hockey and martial arts.
