Subject: Appointment of Environmental Representative

Dear Grace,

I refer to your request dated 26 April 2023 for the Secretary's approval of a suitably qualified, experienced and independent person to be appointed as the Environmental Representative (ER) for Westlink Stage 1 as required under Condition A35 of SSD-9138102.

The Department of Planning and Environment (the department) has reviewed the nominations and information you have provided and is satisfied that these experts are suitably qualified, experienced, and independent. Accordingly, I can advise that the Secretary approves the appointment of Carl Vincent as lead ER and Maurice Pignatelli and Richard Peterson as alternative ER in the event Carl is unavailable.

Should you wish to discuss the matter further, please contact Laura Evert on 028289 6613 or via email at [laura.evert@dpie.nsw.gov.au](mailto:laura.evert@dpie.nsw.gov.au).

Yours sincerely
