The card features the PayPal logo, the text "More payment methods with one solution from PayPal", and a description: "PayPal enables your customers to pay exactly as they want: with PayPal, debit or credit card, PayPal installments and many local payment methods such as Sofort, Giropay or iDEAL. With Zettle by PayPal you can also accept payments contactless at the POS and via QR code. Log in with your PayPal Account to enable customers to pay with PayPal payment methods." A blue button labeled "Connect to PayPal" is highlighted with a dashed blue circle. Below the text, there are logos for various payment methods: PayPal, Mastercard, American Express, VISA, SEPA, PURCHASE ON ACCOUNT, and + many others. An "Edit detail" link is visible in the top right corner of the card.
