

Migration | PayPal Plus → PayPal Checkout

# Step 1

✓ Open the settings of your shop and select "Payment".

# Step 2

There you will see, among other features, a new section called "PayPal Checkout".

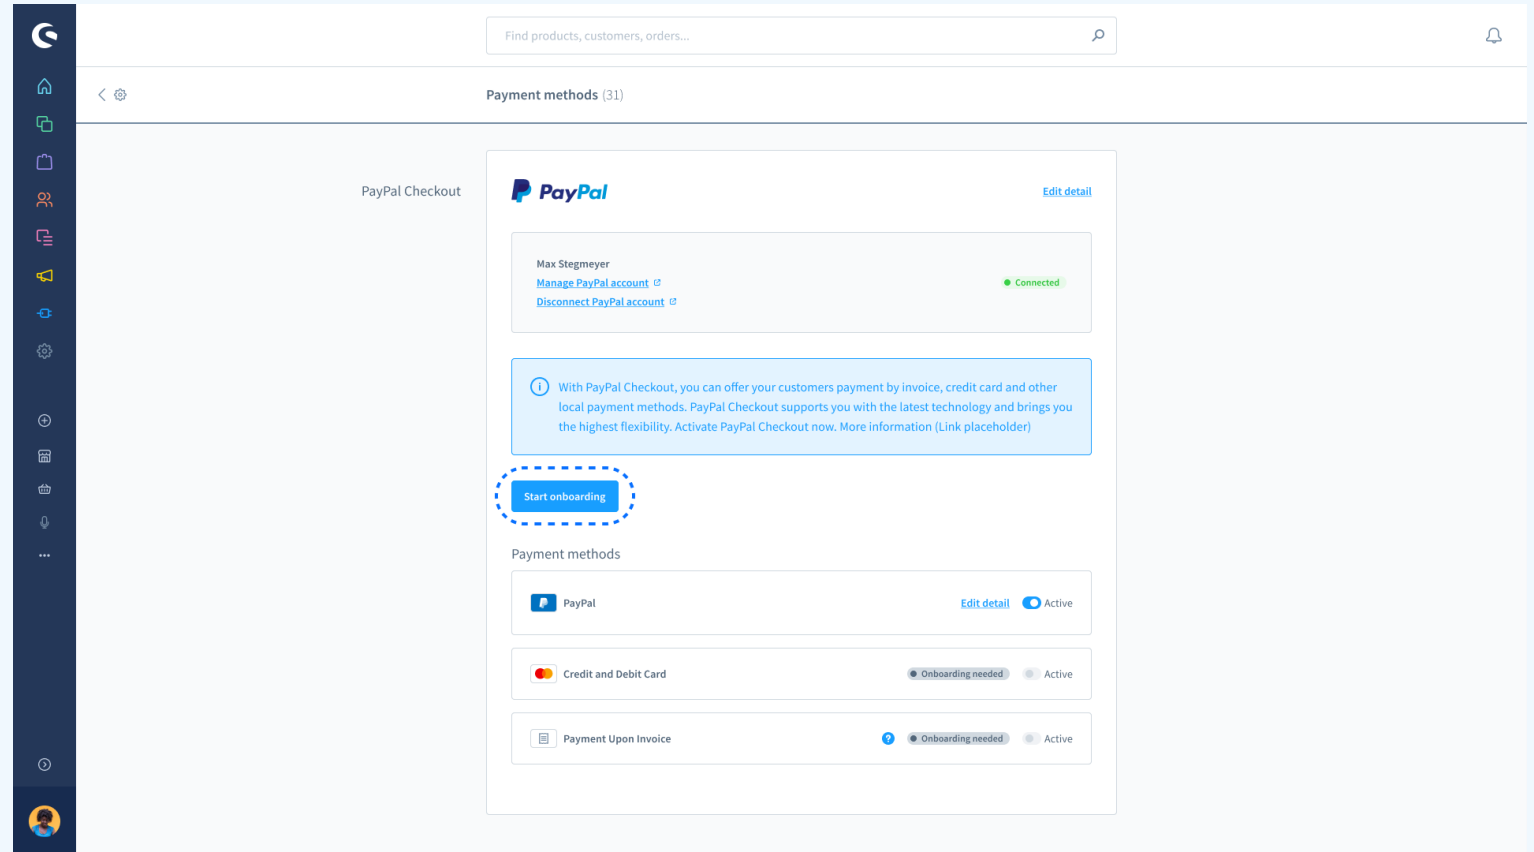

If you haven't already done so, connect your PayPal account by clicking on "Connect to PayPal".

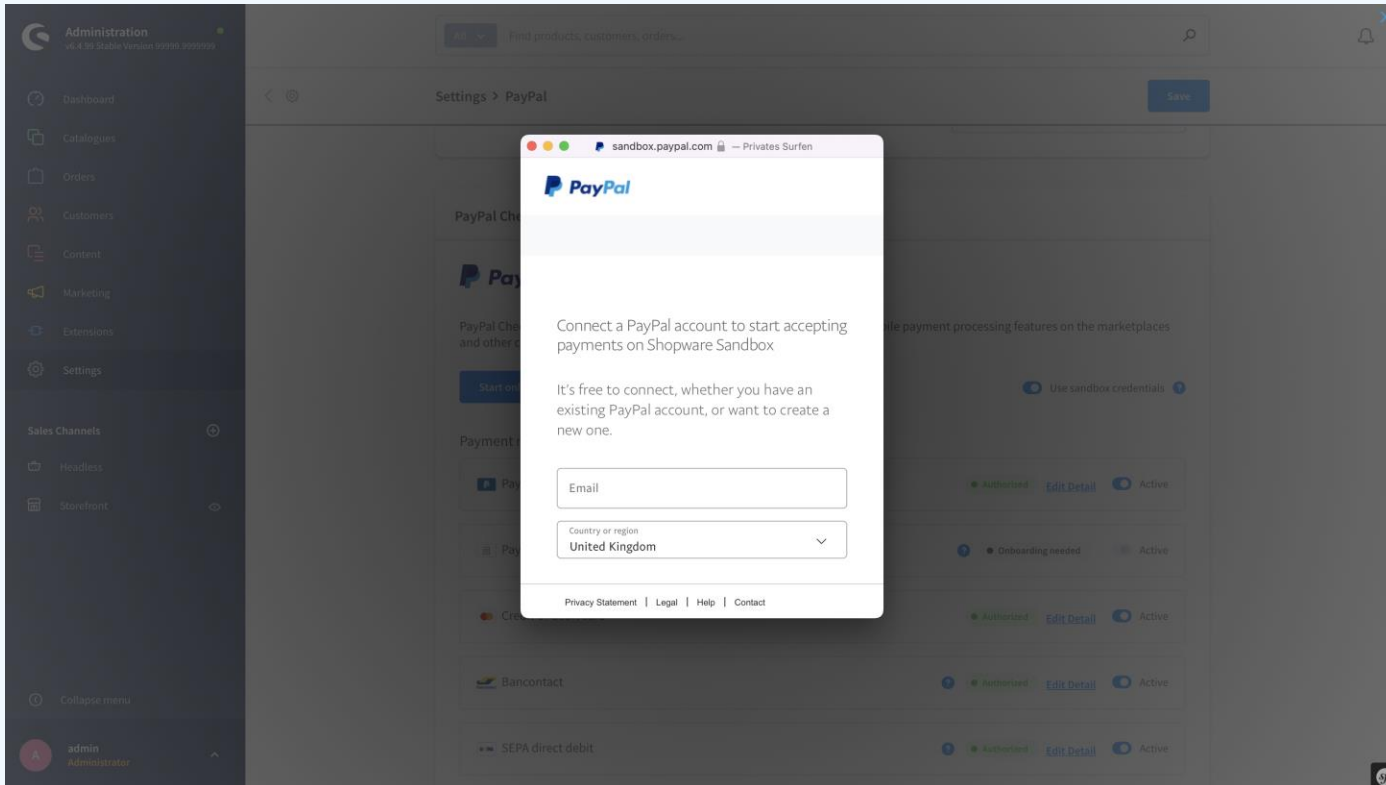

# Step 3

✓ To activate PayPal Checkout and the associated payment methods, you must go through a one-time onboarding process.

i Start the onboarding by clicking on "Start onboarding".

# Step 4

Go through PayPal's onboarding process. You will then be taken back to your shop.

Make sure you allow pop-ups in your browser.

# Step 5

You then have the option of activating or deactivating individual PayPal Checkout payment methods for your shop.

If an individual payment method could not be onboarded for you, you can start the process again here.

If a payment method cannot be onboarded for you, please contact PayPal.

The screenshot displays the Shopware admin interface for managing payment methods. The sidebar on the left contains various navigation icons. The main content area is titled 'Payment methods (31)'. It features a 'PayPal Checkout' section with a 'Start onboarding' button. Below this, there is a list of payment methods:

- PayPal:** Shows 'Max Stegmeyer' as the account holder, with links to 'Manage PayPal account' and 'Disconnect PayPal account'. A green dot indicates the account is 'Connected'. A 'Start onboarding' button is present.
- Payment methods:** A list of available payment methods:
  - PayPal:** Status: Active (toggle on). Link: Edit detail.
  - Credit and Debit Card:** Status: Authorized (green dot). Link: Edit detail. Toggle: Active (toggle on). This row is highlighted with a dashed blue box.
  - Payment Upon Invoice:** Status: Not onboarded (blue dot). Link: Start onboarding. Toggle: Active (toggle off).
