

# DESIGN A LOLLIPOP

There are lots of people that can help us cross the road safely. Maybe you cross the road with a School Crossing Patrol person.

Try making your own lollipop stick.

You will need:

- A lollipop stick or straw
- Sticky tape
- Colouring pens

Colour in the sign over the page and carefully cut it out, stick it to the lollipop stick/straw and then you have your very own crossing patrol sign.

# DESIGN A LOLLIPOP

Colour in the sign below and carefully cut it out.
