Your new bus station

The new Ashton-under-Lyne Interchange offers improved facilities for passengers including:

- a staffed, covered and well-lit concourse
- better passenger comfort and security, with full CCTV coverage
- easier integration between walking, cycling, tram and train
- new cycle route and better pedestrian and cycle crossings
- four 'short stay' Sheffield stands, complimenting the existing 40-space hub on Water St
- live bus departure displays
- accessible toilets, baby change and Changing Places* facilities
- improved pedestrian links to the town centre
- a convenience store

Measures have also been put in place to help stop the spread of coronavirus, such as signage, spacing, stickers and anti-viral cleaning regimes. For more information, visit [tfgm.com/coronavirus/reopening](https://www.tfgm.com/coronavirus/reopening)

It supports the economic growth of the town and helps people to get to and from their places of work as well as Ashton's great shops, markets, restaurants and bars in a modern, safe and welcoming environment.

Funding for the Ashton-under-Lyne Interchange development has been supported by Central Government through the Greater Manchester Local Growth Deal Programme.

Thank you for your patience during the construction work.
