

From 30 August

471

We're adding more early morning journeys, seven days a week, and extending some other early morning journeys.

We're also improving the frequency of buses in the evening throughout the week, and in the daytime on Sundays and public holidays. Buses will be increased to run every 20 minutes in the evening and every 15 minutes in the daytime on Sundays and public holidays.

There will also be some other minor timetable changes to help make sure buses run reliably.

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.
