

From 1 September

X43

Buses will be rerouted in Manchester city centre with most journeys terminating at Shudehill Interchange instead of Chorlton Street. Some Monday to Friday peak period journeys will continue to run to/from Chorlton Street running via Shudehill Interchange, no longer serving stops on Princess Street and Market Street. Times will also change throughout the week with additional earlier morning journeys on Mondays to Fridays and changes to late night journeys from Manchester.

Easy access on buses

Journeys run with low floor buses have no steps at the entrance, making getting on and off easier. Where shown, low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. The bus operator will always try to provide easy access services where these services are scheduled to run.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, the bus does not stop there on that journey. Check any letters which are shown in the timetable against the key at the bottom of the page.
