Stockport

A horizontal number line representing distance in kilometres. It starts at 0 on the left and ends at 1 on the right, labeled "1kilometre". There are four major tick marks between 0 and 1, dividing the segment into five equal parts. These tick marks are labeled below the line as 0, 0.25, 0.5, 0.75, and 1. Above the line, there are three specific points marked: 1/4 at the first tick mark after 0, 1/2 at the second tick mark (0.5), and 3/4 at the third tick mark (0.75).
