

From 30 August

83

We're making some major changes to the timetable, introducing more journeys throughout the week.

Extra early morning journeys will be added all week and on Monday to Saturday evenings buses will run every 15 to 20 minutes. There will also be later journeys from Oldham and Manchester.

On Thursday, Friday and Saturday nights buses will run through the night. To help keep the service running reliably, buses will only run to/from the bus station in Oldham town centre. Other frequent buses run between the bus station and Mumps.

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.
