## Cats Need Coverage Too

*Maxx*

### Foreign Body Ingestion

Cats are curious by nature, so when Susan C. brought home Maine Coon Maxx, she knew pet insurance was a must.

When Maxx was just a year old, he swallowed a shoelace that he'd found buried at the bottom of a garbage can. His mom rushed him to the vet where X-rays showed that a costly emergency surgery was required to remove the lace.

Knowing that her Embrace Pet Insurance policy would cover it, Maxx's mom was able to make a quick decision about his care without worrying about the cost.

Total vet bill: \$2,966.09

Embrace reimbursed: \$2,252.87
