

Let's Talk Senses®

Directions: Use parent-approved sources to research the answers to the questions below!

1. Draw a line from each of the five senses to the body part that allows you to experience it!

See

Hear

Smell

Taste

Touch

2. What organ controls the five senses?

3. What sends messages from the organ in #2 to the body parts for each sense?

STEM BONUS

As I look out at the wild ocean, while listening to the sound of the waves crashing down, and smelling the salty air, how many senses am I using?

4. Our senses help to protect us by allowing us to experience the world around us. We must also make sure to take care of our senses. List one thing you can do to protect each sense.

See- _____

Hear- _____

Smell- _____

Taste- _____
