

ProDentim Pricing: Package Options, Special Offers & Money-Back Guarantee

Introduction

Understanding ProDentim pricing helps you choose the package that best fits your oral health goals and budget. ProDentim is a probiotic-based dietary supplement designed to support healthy teeth, gums, fresh breath, and a balanced oral microbiome. It is available in several bundle options, allowing customers to select a supply that matches their daily routine. Larger packages provide better value, additional bonuses, and free shipping. Every purchase is backed by a 60-day money-back guarantee, giving users the opportunity to try the supplement with confidence. Buying the right package can help maintain consistent daily use while maximizing savings and long-term convenience.

What Is ProDentim Pricing?

ProDentim offers three pricing options designed to meet different customer needs. Whether you are trying the supplement for the first time or planning long-term use, there is a package available that provides flexibility and value.

The starter package includes two bottles for a 60-day supply and is suitable for new users. The three-bottle package offers additional savings and includes a free bonus with free shipping. The six-bottle package is promoted as the best value because it offers the lowest price per bottle, two free bonuses, and free shipping within the USA.

These pricing options make it easier for customers to maintain a consistent oral care routine while reducing the cost per bottle as the package size increases.

ProDentim Pricing Packages

2 Bottles – 60-Day Supply

The starter package is designed for individuals who want to begin using ProDentim before choosing a larger supply.

- Price per bottle: **\$79**
- Total Price: **\$158** (Regular Price: \$358)
- Standard Shipping: **\$9.99**
- 60-Day Money-Back Guarantee

3 Bottles – 90-Day Supply

The three-bottle package provides additional savings for customers planning regular daily use.

- Price per bottle: **\$69**
- Total Price: **\$207** (Regular Price: \$537)
- Free Shipping
- One Free Bonus
- 60-Day Money-Back Guarantee

6 Bottles – 180-Day Supply

The six-bottle package is the most popular and best-value option for long-term oral wellness support.

- Price per bottle: **\$49**
- Total Price: **\$294** (Regular Price: \$1,074)
- Free Shipping

- Two Free Bonuses
- 60-Day Money-Back Guarantee

Why Choose a Larger Package?

Choosing a larger ProDentim package provides better overall savings and helps maintain a consistent daily routine. The cost per bottle decreases as the package size increases, making long-term use more affordable.

The six-bottle bundle offers the biggest discount while including free shipping and two bonus guides. Customers who plan to use ProDentim every day often select this option because it provides the best overall value and reduces the need for frequent reordering.

Benefits of Buying ProDentim

ProDentim pricing offers more than discounted bottles. Customers also receive valuable extras depending on the package selected.

Regular use supports a balanced oral microbiome, healthier gums, fresher breath, and improved daily oral hygiene. Larger bundles include bonus educational guides, free shipping, and lower per-bottle pricing. Every purchase is also protected by a 60-day money-back guarantee, providing additional confidence for first-time buyers.

Frequently Asked Questions (FAQs)

1. How much does ProDentim cost?

ProDentim is available in three package options. The 2-bottle package costs \$158, the 3-bottle package costs \$207, and the 6-bottle package costs \$294 before applicable promotions expire.

2. Which ProDentim package offers the best value?

The six-bottle package provides the lowest price at \$49 per bottle. It also includes free shipping, two free bonus guides, and is promoted as the best-value option.

3. Does ProDentim include free shipping?

Yes. Free shipping is available with both the three-bottle and six-bottle packages. The two-bottle starter package includes standard shipping charges.

4. Is there a money-back guarantee?

Yes. Every ProDentim purchase includes a 60-day money-back guarantee, allowing customers to request a refund if they are not satisfied during the guarantee period.

5. Are bonus items included with every package?

Bonus items are included with larger bundles. The three-bottle package includes one free bonus, while the six-bottle package includes two free bonuses in addition to free shipping.

Conclusion

ProDentim pricing is designed to provide flexible purchasing options for different budgets and wellness goals. Customers can choose from two-bottle, three-bottle, or six-bottle packages, with larger bundles offering greater savings, bonus materials, and free shipping. Every order includes a 60-day money-back guarantee, allowing users to try the supplement with confidence. For individuals planning consistent daily use, the six-bottle package offers the greatest value while supporting long-term oral
