

## **Getting Started With OPG**

Welcome to Options Premium Group! This is your master document to getting started and wrapping your mind around what you just signed up for.

### **Step 1:**

**You should have received an email** to set up your account on the website. Please check the email that you signed up with and set up your account.

### **Step 2:**

**You are going to want to join our discord server.** Use this link to join and then visit the #join-opg tab to submit a ticket so that we can approve your access!
