Twinned Share Principle

Twinned Share Principle

Article 5.

- a. The Twinned Share principle is used in these articles to the effect that:
 1. a Twinned Share shall only be capable of being (i) issued, (ii) subscribed, (iii) cancelled, (iv) transferred by others than the Company, and (v) encumbered with a right of pledge or usufruct or any other limited right in rem (*beperkt zakelijk recht*), together with an ageas SA/NV share in the form of a Unit, to intend that

shareholders should be in the same position as if they held shares in a single company; and

2. no issues of Twinned Shares and no rights to acquire Twinned Shares shall be made respectively granted either by the Company or ageas SA/NV without a corresponding issue of shares in twinned form or grant of rights to acquire such shares by the other, carrying substantially all the same rights and restrictions, mutatis mutandis.

At all time, the number of Twinned Shares in issue and the number of ageas SA/NV shares will be equal.

- b. An exception on the Twinned Share principle is allowed for the purpose of the distribution of a stock dividend (i.e. a distribution in ageas Units), provided that in the event a stock dividend is distributed ordinary shares may only be issued to ageas SA/NV against contribution in cash by the latter and these shares may be transferred only to those shareholders that have elected to receive their stock dividend from ageas SA/NV.

Breach of the Twinned Share Principle

Article 6.

- a. In the event of a breach with the provisions of article 5, as a result whereof a Twinned Share and an ageas SA/NV share would not be held by the same person/legal entity:
 1. the voting right, the rights to attend meetings of shareholders and the rights to acquire dividend attached to the Twinned Shares which are held by the shareholder outside of a Unit, are suspended.
 2. the shareholder is obligated to transfer the Twinned Shares, which are held outside of a Unit, within a period of three months to ageas SA/NV, to which latter Company the requirements as mentioned in article 5, will not apply. The price to be paid for the shares to be transferred shall be determined by mutual agreement of the parties. If the parties should fail to reach such agreement, such price will be determined in accordance with the provisions of paragraph c) of this article.
- b. The shareholder in respect of whom the provisions of paragraph a) apply, shall be under the obligation to notify the board of directors thereof disclosing the number of Twinned Shares which are held outside a Unit, within a period of thirty days.
- c. In the event a shareholder that is under the obligation to dispose of such Twinned Shares (the 'offeror') fails to comply after having been notified by registered letter by the board of directors of its obligations in time, the Company shall be irrevocably empowered and, upon request of the offeror, obliged on behalf and for account of the offeror to dispose of as many Twinned Shares as referred to in this article at a price to be determined by a registered accountant appointed for that purpose by the chairman of the Chamber of Commerce in whose Trade Register the Company is registered at the request of the board of directors, whilst the costs of the valuation and transfer shall be for the account of the offeror.
- d. In the event the offeror fails to cooperate with the transfer of the referred Twinned Shares, within fourteen days after having been notified by registered letter by the board of directors of such disposal, the Company shall be irrevocably empowered to sign the deed of transfer on behalf of the offeror in the event the Twinned Shares are registered, and, in the event

the Twinned Shares are bearer shares, to undertake all (legal) actions on behalf of the offeror which are necessary to transfer such shares.

- e. The Company will ensure that the offeror will receive the purchase price less costs for the transferred shares without delay.
- f. All communications, announcements, declarations and/or demands as referred to in the preceding paragraphs of this article shall be made in writing in exchange for a certificate of receipt or by registered letter.

Cancellation of the Twinned Share Principle

Article 7.

The Twinned Share principle will be cancelled if the shareholders meeting resolves to amend the articles of association, in accordance with article 27 paragraph c), as a result whereof the clauses in these articles relating to such principle, as included in articles 5, 6, 8, 9, 10, 11, 12, 21, 26 and 27 are amended or deleted.

Capital - Shares

Authorised Capital

Article 8.

The authorised capital of the Company shall amount to one billion four hundred and twenty-eight million euro (EUR 1,428,000,000) divided into three billion and four hundred million (3,400,000,000) Twinned Shares, each with a nominal value of forty-two eurocents (EUR 0.42).

Body Authorised to Issue Shares

Article 9.

- a. Subject to the Twinned Share Principle, the board of directors decides as to the further issue of Twinned Shares or the granting of rights to subscribe for shares, including the issue of options or conversion of options. This delegation shall be valid for all non-issued shares that form part of the authorised capital.
- b. This current delegation expires on the thirty-first day of May two thousand and fourteen. If and to the extent the delegation as identified in this article has expired and has not been renewed, a resolution to issue Twinned Shares by the shareholders meeting requires the prior approval of the board of directors.
- c. The board of directors is authorised, without any prior approval of the general meeting of shareholders, to perform legal acts within the meaning of article 2:94 paragraph 1 of the Civil Code.

Form of the Shares

Article 10.

- b. Each Twinned Share has the same set of characteristics and shall be of the same form than the ageas SA/NV share with which such Twinned Share is twinned in a Unit and vice versa.
- c. The board of directors shall keep a register similar to the register kept by the board of directors of ageas SA/NV in which the names and addresses of all holders of registered Twinned Shares are recorded. The holders are obliged to notify the Company in the event the place of residence or address change. If so requested, the board of directors shall provide, free of charge, an extract from the register to a holder of registered Twinned Shares pertaining to his right to such shares. The board of directors of ageas SA/NV shall provide a similar extract from the register of ageas SA/NV.
- d. At the shareholder's request, registered Twinned Shares may be converted to bearer Twinned Shares for inclusion in the Giro System, by cancellation of the entry in the register.
Bearer Twinned Shares may be converted to registered Twinned Shares, by submitting the physical share, if any, and the corresponding entry in the shareholders' register. Nevertheless, the conversion of a Twinned Share into another form is suspended as far as the Twinned Shares have been lodged for a general meeting of shareholders pursuant to article 21 a) until the end of the general meeting of shareholders, unless the board of directors has determined a registration date in accordance with article 21 c).
- e. The board of directors of the Company shall determine the manner, form and the conditions the Twinned Shares may be entered into the Giro System or removed from such system.

Pre-emption Right

Article 11.

Upon the issue of Twinned Shares against payment in cash, or in the event of the issue of convertible bonds or subscription rights, the shareholders' meeting or the board of directors, if so designated, may decide to restrict or to exclude the pre-emption right of the existing shareholders, subject to a similar decision of the appropriate corporate body of ageas SA/NV. ageas SA/NV, as a result whereof the Company will only remain holder of the Twinned Share;

2. acquire only the Twinned Share out of a Unit, if such Twinned Share is acquired from ageas SA/NV or if ageas SA/NV simultaneously acquires the ageas SA/NV share included in the same Unit.

Notwithstanding the provisions of this paragraph the Company may, in the event it has acquired a Unit, transfer such Unit to any third party in accordance with the rule applicable to such transfer.

- d. The Company cannot derive any right to distributions from shares in its own capital.
