

ATTENTION

(1) Rules applicable to potential conflict of interests

A potential conflict of interests arises in case :

- You appoint as a proxy holder : (i) ageas SA/NV or one of its subsidiaries; (ii) a member of the board of directors or of the corporate bodies of ageas SA/NV or one of its subsidiaries; (iii) an employee or a (statutory) auditor of ageas SA/NV or one of its subsidiaries; (iv) a person who has a parental tie with a natural person referred to under (i) to (iii) or who is the spouse or the legal cohabitant of such person or of a relative of such person;
- Proxy forms are returned without indicating to whom they are addressed, in which case, ageas SA/NV will appoint, as proxy holder, a member of the board of directors of ageas SA/NV or one of its employees.

In case of potential conflict of interests, the following rules will apply:

1. *“the principal must disclose the relevant facts to allow the shareholder to weigh the risks that the principal might have diverging interests”* (Article 7:143, §4, 2° of the Companies and Associations Code). For example, a director will have the tendency, absent any explicit voting instructions from the shareholder, to systematically vote in favour of the resolutions proposed by the board of directors. This will be same for an employee who is, by definition, subordinated to the company.
2. *“the principal may only cast a vote for and on behalf of the shareholder if he obtains specific voting instructions for each item on the agenda”* (Article 7:143, §4, 2° of the Companies and Associations Code). The company therefore urges you to express a specific voting instruction by ticking one box for each item on the agenda.

(2) Rules applicable to the voting modalities

- In case of a conflict of interests

If you fail to tick the box for an item on the agenda, you will be deemed to have granted to the proxy holder in a situation of conflict of interests the specific instructions to vote in favour of such item. If, for whatever reason, there is insufficient clarity with regard to the instructions given, the proxy holder will always abstain in relation to the resolution(s) concerned.

- In absence of a conflict of interests

- If no specific voting instruction for an item on the agenda has been given in this form, or if, for whatever reason, there is insufficient clarity with regard to the instructions given, the proxy holder will vote pursuant to the instructions otherwise received from the principal and, failing that, in the best interest of the principal.
- If however a proxyholder has given specific voting instructions, the received voting instructions will be counted in advance and systematically recorded for each point.

A. VOTING INSTRUCTIONS RELATING TO THE EXISTING ITEMS ON THE AGENDA

2. Annual Report and Accounts, Dividend and Discharge of Liability

2.1 Annual report and accounts

2.1.3 Proposal to approve the statutory annual accounts of the company for the financial year 2025 and allocation of the results.

Note:

On 8 December 2025, ageas SA/NV announced that it had entered into an agreement with BNP Paribas Fortis SA/NV to acquire their 25% shareholding in AG Insurance SA/NV, thereby obtaining full ownership of its Belgian insurance subsidiary. Under the terms of the agreement, ageas SA/NV, through its wholly owned subsidiary Ageas Insurance International NV, will acquire the 25% shareholding in AG Insurance SA/NV for a total consideration of EUR 1.9 billion. The consideration will be financed through a combination of an equity placement to BNP Paribas Cardif (of 18.5 million Ageas shares at a fixed price of EUR 60 per share), cash reserves and existing financing facilities. The equity placement comprises 15 million newly issued shares and 3.5 million treasury shares. Completion of the transaction is anticipated in the second quarter of 2026, subject to customary regulatory approvals.

Under the terms of the agreement, if the transaction completes prior to the Ordinary General Shareholders' Meeting, the shares delivered to BNP Paribas Cardif will be entitled to the final dividend over the 2025 financial year (for which the amount proposed to the Shareholders for approval amounts to EUR 2.25 per share). As of the date the Board of Directors approved the financial statements, it remains uncertain whether BNP Paribas Cardif will be eligible for the dividend. Consequently, the financial statements do not include a liability for the dividend amounting to EUR 41.6 million (calculated as 18.5 million shares multiplied by EUR 2.25 per share), which may become payable under the agreement.

If the equity placement to BNP Paribas Cardif completes prior to the Ordinary General Shareholders' Meeting, the Shareholders will be asked to confirm their approval to file adjusted statutory annual accounts of the company with the adjusted allocation of the results, which will include the liability for the dividend under this agreement amounting to EUR 41.6 million (calculated as 18.5 million shares multiplied by EUR 2.25 per share).
