Three drivers powered by enablers

Focused, lean approach in areas with highest potential for impact

Local Outperformance

We are a group of local outperformers. By excelling in our respective markets, we aim to achieve superior results and set benchmarks for excellence

Focused areas for Group synergies

As a Group, we also concentrate on key areas where we see significant potential for synergies. We will elevate in:

- Data & AI
- Technology

Opco-in-the-lead approach with Group support

We built on the expertise in the OpCos and combine this with the strength of the group to create scalability, accelerate speed-to-market and realise synergies
