

# AGEAS LOBBYING & MEMBERSHIP DISCLOSURE

## DISCLOSURE ON EXPENSES RELATED TO LOBBYING ACTIVITIES AND MEMBERSHIPS FOR THE YEAR 2024

When undertaken with integrity and transparency, lobbying is a legitimate activity to engage in as part of the deliberate process of law making. Ageas's intention is to report on its lobbying activities and the expenses related to it. This disclosure includes the total amount spent on memberships and on lobbying Group-wide on an annual basis, as well as the 3 membership organisations receiving the largest contributions. The following overview includes amounts spent on lobbying practices, and membership fees to national and international organisations endorsed by Ageas SA/NV through its consolidated entities. These memberships can include trade associations, industry associations and business associations who, in certain cases, influence governments' or institutions' policies and decisions on behalf of its members.

### Lobbying activities at Ageas SA/NV

### Largest memberships at Ageas SA/NV

1. Thatcham Research  
*Thatcham Research (UK based) does research and testing for car safety and vehicle security systems, training and apprentices and supply of data that insurers use to define a car's insurance grouping.*

---

<sup>1</sup> The increase is partially attributed to the new definition of lobbying under the CSRD regulation.

2. Insurope  
*Insurope (Brussels based) brings together insurance companies that are providing employee benefit services to multinational companies across the world.*
3. Brocom  
*Brocom is a marketing platform where federations of brokers and most Belgian insurance companies work together to promote the broker channel.*

The top three membership list of Ageas comprises organisations that are active in the broad domain of insurance and insurance related activities or research and are located in our main European markets. In total the contributions to these three companies represent 71% of the total amount of memberships paid or EUR 2,541,418.
