

American Journal of TRANSPLANTATION

We are welcoming the *American Journal of Transplantation (AJT)* to the Elsevier family from January 2023 onwards.

AJT is the joint journal of the American Society of Transplantation (AST) and the American Society of Transplant Surgeons (ASTS).

AST is the largest transplant organization in North America and is recognized as the premier society for transplantation. AST is dedicated to advancing the field of transplantation and improving patient care by promoting research, education, advocacy, and organ donation.

ASTS represents approximately 2,000 professionals dedicated to excellence in transplantation surgery. ASTS advances the art and science of transplant surgery through patient care, research, education, and advocacy.

As the must-read transplantation journal, the *AJT* is dedicated to publishing original research, reviews, consensus documents and guidelines that advocates change in the field of transplantation.
