## 5th International Conference on Ionic Liquids in Separation and Purification Technology

5–8 February 2023 | Scottsdale, Arizona, USA

Abstract submission deadline: 2 September 2022

Early registration deadline: 4 November 2022

### Conference chairs:

Jason Hallett, *Imperial College London, United Kingdom*

Mark B. Shiflett, *The University of Kansas, USA*

## 5th International Conference on Ionic Liquids in Separation and Purification Technology

5–8 February 2023 | Scottsdale, Arizona, USA

The aim of the **5th International Conference on Ionic Liquids in Separation and Purification Technology** is to provide a forum for researchers in academia, national laboratories, and industry to share and discuss their latest results on the use of ionic liquids in separation applications. This meeting will build on the momentum from the previous ILSEPT meetings held in 2011, 2014, 2017, and 2019.

### Conference topics:

- Ionic Liquids as Advanced Materials
- Applications of Ionic Liquids
- Process Modeling and Fundamental Studies
- Laboratory to Commercialization, “What is needed to drive the use of ionic liquids for separation and purification”

Visit the site for full details.
