About The Conference

Engineering failure analysis as a key tool for the improvement of the modern innovation cycle now demands that component design involves a whole-of-life approach, incorporating an awareness of manufacture, safety, reliability, environmental sensitivity and disposal.

This has focused attention on the pivotal role of failure analysis as an essential tool to improve equipment availability, to help prevent accidents and disasters and to inform the processes of design, manufacture, operation and maintenance of key plant and equipment.

Conference Topics

- Engineering failure modes for metallic and non-metallic engineering materials
- Approaches to failure analysis
- Role of service loading in failure analysis
- Case studies of failures in industry sectors such as aerospace, marine and offshore, automotive, rail, power generation, mining and minerals, consumer goods, medical devices and others
- Historical disasters
- Structural and architectural failures
- Microelectronic device failures
- Failure analysis and joining technologies
- Role of condition monitoring and NDT in failure avoidance
- Failure analysis, maintenance and reliability
- Role of failure analysis in the design process
- Legal matters, ethical issues and insurance in the failure analysis industry
- Training and accreditation in failure analysis research and industry

Sponsorship and Exhibition Information

Elsevier's extensive global network of physical scientists in academia, business and government is being targeted to generate a highly qualified audience from the Engineering Failure Analysis community.

USE YOUR PRESENCE AT THE TENTH INTERNATIONAL CONFERENCE ON ENGINEERING FAILURE ANALYSIS TO:

- 1 Launch new products and highlight existing ones
- 2 Increase brand awareness and elevate your company profile
- 3 Network with specialists, seek international partners and form new alliances
- 4 Increase visibility in focused markets
- 5 Communicate your message to a highly qualified scientific and expert community
- 6 Build relationships for the future
- 7 Attract new talent and strengthen partnerships
- 8 Generate sales leads and educate the market

Marketing Reach

An extensive marketing campaign will be used to promote Tenth International Conference on Engineering Failure Analysis to ensure maximum exposure for your organisation.

Website

A website devoted to the Conference, www.elsevier.com/icefa-conference, is live and will be updated continuously in the lead up to the event providing all current information on the program, speakers, networking functions and a section dedicated to sponsors and exhibitors.

TERMS AND CONDITIONS OF BOOKING:

- Acceptance of applications for table-top exhibits or sponsorship is at the discretion of the organisers.
- Cancellations: If you find it necessary to cancel your exhibition or sponsorship package, please contact the conference department immediately using the contact details provided during the confirmation of your involvement. Cancellation more than 91 days prior to the first open day of the conference – 50% of the total charge as a cancellation penalty provided that written notice is received. Cancellation 91 days or less prior to the first open day of the conference – 100% of the total charge as a cancellation penalty.
- Payment must be made in advance of the conference and is non-refundable according to the above cancellation terms.
- You will be provided with confirmation of your booking, along with full details of shipping co-ordinates and relevant shipping deadlines.
- A reduction in Stand space shall be treated as a pro rata cancellation. A signed order of a Stand implies participation by the Exhibitor for the whole of the time when the hall is open to the Visitors. In the event of cancellation by the Exhibitor or failure to exhibit the Stand charges shall be paid in full to the Organiser. Cancellation charges will be applied as indicated above and the parties hereby agree that these constitute a genuine and reasonable estimate of the loss which the Organiser would incur on cancellation of the order by the Exhibitor.
- The exhibition stand contract constitutes a license to exhibit and not a tenancy. The Organiser reserves the right at any time and from time to time to make such alterations in the ground plan of the Exhibition as may in their opinion be necessary in the best interests of the Exhibition and to alter the shape, size or position allocated to the Exhibitor. No alternations to the space allotted will be made in such a way as to impose on the Exhibitor any greater liability for rental than that undertaken in the exhibition stand contract.
- The Exhibitor or Sponsor shall not be entitled to withhold payment of any amounts payable to the Organiser in relation to the exhibition or sponsorship package by reason of any dispute or claim by the Exhibitor or Sponsor in connection with the exhibition/sponsorship package or otherwise nor shall the Exhibitor or Sponsor be entitled to set off any amount which it is alleged is payable or due from the Organiser against any amount payable to the Organiser in relation to the exhibition or sponsorship package.
- Exhibitors are responsible for their own insurance for the event. A copy of your public liability insurance certificate (providing cover of US\$3,000,000) is required prior to the event.
- Price for up to 2 colour printing within logos
