

Clinical Pharmacology powered by ClinicalKey®

Finding Toxicology Information

To find important diagnosis, management, and other clinical details for drug classes, visit the ToxE_d link within Clinical Pharmacology powered by ClinicalKey.

Visit ToxEd

1. Visit Clinical Pharmacology powered by ClinicalKey at www.clinicalkey.com/pharmacology/.
2. Click the ellipsis under the Resources menu and select 'ToxEd' (Fig. 1).
3. Type in your topic keyword into the search bar once redirected to the ToxEd webpage (Fig. 2).
4. Review the bulleted summaries for quick answers to point of care questions.
