

8th International Conference on Bio-Sensing Technology

Schedule

Sunday, 12 May, 2024

14:00-17:00 Prado

Commercializing Electrochemical Assays – A workshop on business and technology strategy

Presentation type: Workshop

15:00-17:00

Registration

Monday, 13 May, 2024

08:00-09:00 Giralda III-IV-V

Registration

09:00-09:15 Giralda I-II

Introduction and Welcome

09:15-11:00 Giralda I-II

Session 1: Novel Biomarkers

Chair: Richard Luxton

Presentation type: Oral

11:00-11:30 Giralda III-IV-V

Refreshment break

11:30-12:30 Giralda I-II

Session 1: Novel Biomarkers (Continued)

Chair: Roberta D'Agata

Presentation type: Rapid Communication

12:30-13:30 Restaurant

Lunch

13:30-15:15 Giralda I-II

Session 2: Advances in binding technologies – The sensor surface

Chair: Zeynep Altintas

Presentation type: Oral

15:15-15:45 Giralda III-IV-V

Refreshment break

15:45-16:55 Giralda I-II

Session 2: Advances in binding technologies – The sensor surface (continued)

Chair: Martin Mak

Presentation type: Rapid Communication

RC.13 TBC

16:55-18:30 Giralda III-IV-V

Welcome drinks reception and Poster session 1

Presentation type: Poster

Tuesday, 14 May, 2024

09:00-11:05 Giralda I-II

Session 3: New transduction and instrumentation systems

Chair: David Attwood

Presentation type: Oral

11:05-11:35 Giralda III-IV-V

Refreshment Break

11:35-12:35 Giralda I-II

Session 3: New transduction and instrumentation systems (continued)

Chair: Alfredo de la Escosura Muñiz

Presentation type: Rapid Communication

12:35-13:35 Restaurant

Lunch

12:35-13:25 Giralda I-II

Publisher workshop

The publisher workshop will introduce how to publish in scientific journals, especially sensor journals. During the session, we will let you know the submission tips, the whole peer review process, and how to use Gen-AI. If you are interested in being a reviewer or an Elsevier journal editor/editorial board member, you are also welcome to attend the workshop.

13:35-15:20 Giralda I-II

Session 4: Data analysis, Interpretation and modelling

Chair: Yildiz Uludag

Presentation type: Oral

O.11 TBC

15:20-16:50 Giralda III-IV-V

Refreshment break and Poster session 2

Presentation type: Poster

16:50-18:00 Giralda I-II

Session 4: Data analysis, Interpretation and modelling (continued).

Chair: Janice Kiely

Presentation type: Rapid Communication

19:00-22:00

Conference Dinner – Ticketed Event

Wednesday, 15 May, 2024

09:00-11:05 Giralda I-II

Session 5: Real world applications and commercialisation

Chair: Martin Mak

Presentation type: Oral

11:05-11:40 Giralda III-IV-V

Refreshment break

11:40-12:40 Giralda I-II

Session 5: Real world applications and commercialisation (continued).

Chair: Richard Luxton

Presentation type: Rapid Communication

12:40-13:00 Giralda I-II

Awards and Closing note
