ELSEVIER

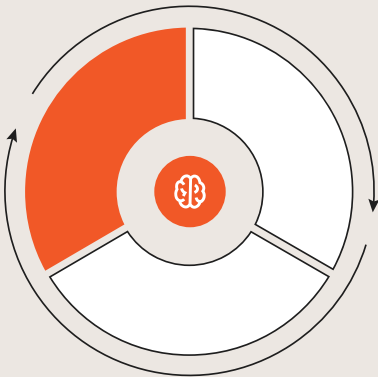

Elsevier's *Canadian Nursing* education solution

Elsevier is Canada's premiere nursing education provider, delivering everything you need to ensure student success through each stage of the learning cycle as they build knowledge, develop clinical judgement, and assess content mastery.

Build knowledge

Cultivate knowledge development throughout your curriculum with Elsevier's market-leading content and engaging digital learning tools. We offer everything needed to help students fully absorb the key concepts that form the foundation for their success.

- Sherpath Vantage®
- Sherpath® with Elsevier Adaptive Quizzing
- Sherpath AI within Sherpath
- Textbooks — print and ebooks
- Osmosis® videos within Sherpath for select collections
- Study guides
- HESI® RN Patient Reviews
- Evolve resources

Sherpath Vantage

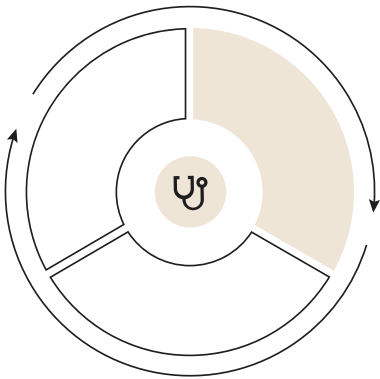

Everything you need to deliver a highly effective, interactive course experience — ***all on a single platform***

Sherpath Vantage includes:

- Elsevier ebook
- Comprehensive digital lessons
- Assignment data and performance analytics
- Elsevier Adaptive Quizzing (EAQ)
- Sherpath AI
- Osmosis videos for select collections
- Shadow Health® Digital Clinical Experiences™
- Enhanced test banks powered by Elsevier's Assessment Builder for select collections

Apply clinical judgement

Provide a wide range of content-based clinical scenarios that allow students to immerse themselves in realistic patient interactions. Our safe, learning-based environments are ideal for honing their clinical judgement and therapeutic communication skills.

- Sherpath Vantage
- Shadow Health Digital Clinical Experiences
- SimChart® for Nursing
- Simulation Learning System for RN
- Simulation Learning System for RN with Virtual Reality
- Canadian Clinical Skills
- HESI RN Case Studies

Canadian Clinical Skills Essentials Collection

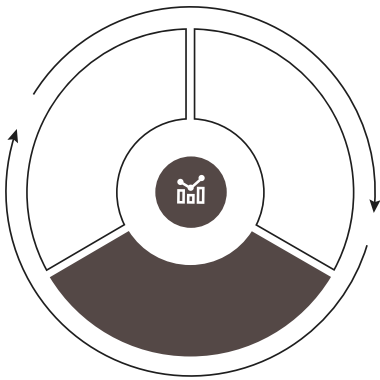

This engaging, online training tool features step-by-step videos that guide students through more than 150 essential procedures and health assessment skills.

- Content reflects current, evidence-informed Canadian clinical practice.
- Convenient, web-based program uses the same professional format that practising nurses use to train.
- English and French closed captioning is provided for all videos and animations.

Assess & review

From day one to the NCLEX®, monitor student progress at key points in your program with review and assessment tools that help them gain the skills and confidence they need for exam and career success.

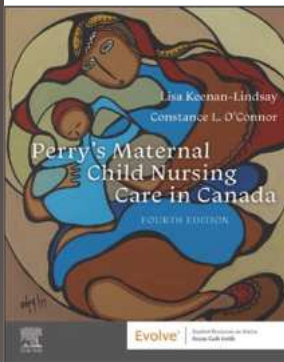

- HESI RN Specialty Exams
- HESI RN Practice Tests
- HESI RN Exit Exam
- Elsevier's Assessment Builder
- Review and testing titles by leading experts
- Osmosis videos

HESI Review and Testing

Our valid and reliable HESI assessment and preparation products work together seamlessly to provide the detailed diagnostic data you need to enhance and strengthen your students' NCLEX readiness, your curriculum design, and your program outcomes.

With real-time, at-a-glance dashboards, you'll have access to:

- **Dedicated Next Generation NCLEX® (NGN) reporting** that highlights performance on nursing content area, NGN item type, and associated clinical judgement skills
- Comprehensive reporting of **individual student exam performance**
- Institutional data on **student, aggregate, and national comparison data**
- Data regarding key **nursing themes and topics** to consider adding, updating, or removing as you revise your curriculum
- Pertinent data for your next **accreditation visit**
