

Have you considered publishing your latest research in an Elsevier Gastroenterology or Hepatology journal?

Elsevier is proud to support over 25 titles in Gastroenterology and Hepatology, including renowned gold open access titles.

The Five American Gastroenterological Association (AGA) Family of Journals

Cellular and Molecular Gastroenterology and Hepatology

Gold Open Access

An Official Basic and Translational Research Journal of the American Gastroenterological Association (AGA)

The mission of *CMGH* is to publish impactful digestive biology research that ranges from mechanisms of normal function to pathobiology and covers a broad spectrum of themes in gastroenterology, hepatology, and pancreatology. The journal reports the latest advances in cell biology, immunology, physiology, microbiology, genetics, and neurobiology of gastrointestinal, hepatobiliary, and pancreatic health and disease.

ISSN: 2352-345X | www.sciencedirect.com/journal/cellular-and-molecular-gastroenterology-and-hepatology

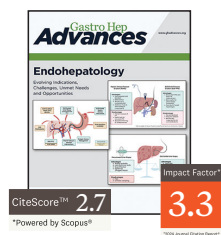

Clinical Gastroenterology and Hepatology

Supports Open Access

An Official Clinical Practice Journal of the American Gastroenterological Association (AGA)

Clinical Gastroenterology and Hepatology (CGH) provides readers with a broad spectrum of themes in clinical gastroenterology and hepatology, including the diagnostic, endoscopic, interventional, and therapeutic advances in cancer, inflammatory diseases, functional gastrointestinal disorders, nutrition, absorption, and secretion.

ISSN: 1542-3565 | www.sciencedirect.com/journal/clinical-gastroenterology-and-hepatology

Gastro Hep Advances

Gold Open Access

Published by the American Gastroenterological Association (AGA)

Gastro Hep Advances is a broad-scope, online-only, open access journal that publishes papers on basic, clinical and translational gastroenterology and hepatology.

ISSN: 2772-5723 | www.sciencedirect.com/journal/gastro-hep-advances

Gastroenterology

Supports Open Access

Official journal of the American Gastroenterological Association (AGA)

Gastroenterology is the most prominent journal in the field of gastrointestinal disease and delivers up-to-date and authoritative coverage of both basic and clinical gastroenterology.

ISSN: 0016-5085 | www.sciencedirect.com/journal/gastroenterology

Techniques and Innovations in Gastrointestinal Endoscopy

Supports Open Access

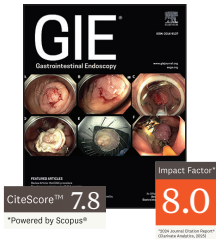

An official journal of the American Gastroenterological Association (AGA)

Techniques and Innovations in Gastrointestinal Endoscopy (TIGE) provides a comprehensive overview of clinical conditions and gastrointestinal endoscopic procedures.

ISSN: 2590-0307 | www.sciencedirect.com/journal/techniques-and-innovations-in-gastrointestinal-endoscopy

Gastroenterology and Hepatology Journals 2026

The Three American Society for Gastrointestinal Endoscopy (ASGE) Family of Journals

Gastrointestinal Endoscopy

Supports Open Access

Official journal of the American Society for Gastrointestinal Endoscopy (ASGE)

Gastrointestinal Endoscopy publishes original, peer-reviewed articles on endoscopic procedures used in the study, diagnosis, and treatment of digestive diseases. Articles report on outcomes research, prospective studies, and controlled trials of new endoscopic instruments and treatment methods.

ISSN: 0016-5107 | www.sciencedirect.com/journal/gastrointestinal-endoscopy

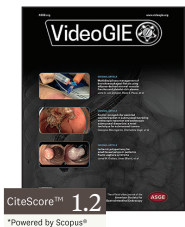

iGIE

Gold Open Access

An official journal of the American Society for Gastrointestinal Endoscopy (ASGE)

iGIE is a Gold Open-Access, online only journal that accelerates the publication of peer-reviewed research and best practices in the field of gastrointestinal endoscopy, including the work conducted collaboratively and across disciplines. The journal is interested in endoscopic research articles, especially those that focus on technologic or procedural innovation, early investigational and translational work, digital health, and those that are inclusive of an interdisciplinary approach.

ISSN: 2949-7086 | www.sciencedirect.com/journal/igie

VideoGIE

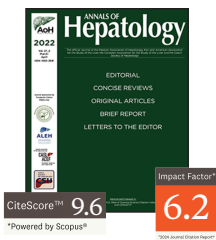

Gold Open Access

Official video journal of the American Society for Gastrointestinal Endoscopy (ASGE)

VideoGIE is an open-access, online-only journal dedicated to publishing ground-breaking original articles and review articles, as well as new patient and industry education articles describing the use of endoscopy to study, diagnosis, and treat digestive diseases.

ISSN: 2468-4481 | www.sciencedirect.com/journal/videogie

The Continued List of Journals

Annals of Hepatology

Gold Open Access

Official journal of the Mexican Association of Hepatology (AMH), the Latin American Association for the Study of the Liver (ALEH), the Canadian Association for the Study of the Liver (CASL), and the Czech Society of Hepatology (CSH)

Annals of Hepatology (AoH) publishes editorials, opinions, concise reviews, original articles, brief reports, letters to the editor, news from affiliated associations, clinical practice guidelines, and summaries of congresses in the field of Hepatology.

ISSN: 2659-5982 | www.sciencedirect.com/journal/annals-of-hepatology

Arab Journal of Gastroenterology

Supports Open Access

Arab Journal of Gastroenterology (AJG) publishes different studies related to the digestive system. It aims to be the foremost scientific peer reviewed journal encompassing diverse studies related to the digestive system and its disorders, and serving the Pan-Arab and wider community working on gastrointestinal disorders.

ISSN: 1687-1979 | www.sciencedirect.com/journal/arab-journal-of-gastroenterology

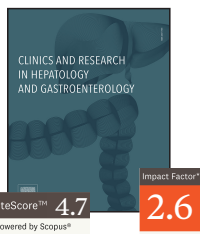

Best Practice & Research Clinical Gastroenterology

Supports Open Access

Each topic-based issue of *Best Practice & Research Clinical Gastroenterology* provides a comprehensive review of current clinical practice and thinking within the specialty of gastroenterology. All chapters are commissioned and written by an international team of practising clinicians with the Guest Editors for each issue drawn from a pool of renowned experts and opinion leaders.

ISSN: 1521-6918 | www.sciencedirect.com/journal/best-practice-and-research-clinical-gastroenterology

Clinics and Research in Hepatology and Gastroenterology

Supports Open Access

Clinics and Research in Hepatology and Gastroenterology publishes high-quality original research papers in the field of hepatology and gastroenterology. The editors put the accent on rapid communication of new research and clinical developments and so called "hot topic" issues.

ISSN: 2210-7401 | www.sciencedirect.com/journal/clinics-and-research-in-hepatology-and-gastroenterology

Digestive and Liver Disease

Gold Open Access

Official journal of Italian Association for the Study of the Liver (AISF), Italian Association for the Study of the Pancreas (AISP), Italian Association for Digestive Endoscopy (SIED), Italian Association for Hospital Gastroenterologists and Digestive Endoscopists (AIGO), Italian Society of Gastroenterology (SIGE), Italian Society of Pediatric Gastroenterology and Hepatology (SIGENP), and Italian Group for the Study of Inflammatory Bowel Disease (IG-IBD)

Digestive and Liver Disease is an international journal that publishes papers on basic and clinical research in the field of gastroenterology and hepatology.

ISSN: 1590-8658 | www.sciencedirect.com/journal/digestive-and-liver-disease

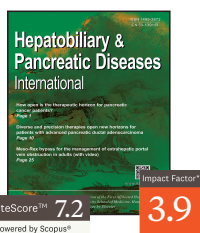

Gastroenterología y Hepatología (English Edition)

Supports Open Access

Gastroenterología y Hepatología covers a broad spectrum of themes in clinical gastroenterology and hepatology, including the latest advances in pathology of the gastrointestinal tract, liver, pancreas and bile ducts, making it an indispensable tool for gastroenterologists, hepatologists, internists and general practitioners, offering in-depth reviews and updates on issues relating to the specialty.

ISSN: 2444-3824 | www.sciencedirect.com/journal/gastroenterologia-y-hepatologia-english-edition

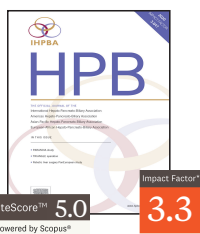

Hepatobiliary & Pancreatic Diseases International

Supports Open Access

Owned by the First Affiliated Hospital, Zhejiang University School of Medicine in China, *Hepatobiliary & Pancreatic Diseases International* publishes peer-reviewed original papers, reviews and editorials concerned with clinical practice and research in the fields of hepatobiliary and pancreatic diseases.

ISSN: 1499-3872 | www.sciencedirect.com/journal/hepatobiliary-and-pancreatic-diseases-international

HPB

Supports Open Access

HPB is an international forum for clinical, scientific, and educational communication. Specific areas of interest include HPB diseases encountered globally by clinical practitioners in this specialist field of gastrointestinal surgery. The journal addresses the challenges faced in the management of cancer involving the liver, biliary system, and pancreas.

ISSN: 1365-182X | www.sciencedirect.com/journal/hpb

Gastroenterology and Hepatology Journals 2026

iLIVER

Gold Open Access

iLIVER aims to present and disseminate the innovations and practical achievements in the field of hepatology, and to provide core academic resources for multidisciplinary physicians, experts and scholars engaged in the basic, preventive, clinical, translational science and medical interdisciplinary research of the hepatobiliary system.

ISSN: 2772-9478 | www.sciencedirect.com/journal/iliver

Intestinal Failure

Gold Open Access

Official journal of the International Intestinal Rehabilitation & Transplant Association (IIRTA)

Intestinal Failure stands as the leading peer-reviewed forum facilitating the dissemination of contemporary research discoveries and the exchange of ideas in the realms of intestinal transplantation and bowel rehabilitation. The journal is dedicated to presenting authoritative papers encompassing both basic and clinical science, focusing on intestinal rehabilitation in individuals necessitating parenteral nutrition, intestinal transplantation, or other pertinent clinical interventions.

ISSN: 2950-4562 | www.sciencedirect.com/journal/intestinal-failure

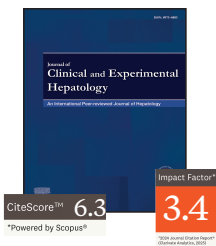

JHEP Reports

Gold Open Access

Official journal of the European Association for the Study of the Liver (EASL)

JHEP Reports is an open access companion title to the highly-respected *Journal of Hepatology*. It publishes original papers, reviews, and letters to the Editor concerned with basic, translation and clinical research in the field of hepatology. *JHEP Reports* received its first Impact Factor in 2022!

ISSN: 2589-5559 | www.sciencedirect.com/journal/jhep-reports

Journal of Clinical and Experimental Hepatology

Supports Open Access

Journal of Clinical and Experimental Hepatology (JCEH) is an international peer-reviewed journal of hepatology and publishes outstanding basic and clinical papers on all aspects of liver diseases, including both human and animal studies. *JCEH* is directed to gastroenterologists, hepatologists, liver transplant surgeons, pathologists, radiologists, and others involved in the research and treatment of a broad range of liver diseases.

ISSN: 0973-6883 | www.sciencedirect.com/journal/journal-of-clinical-and-experimental-hepatology

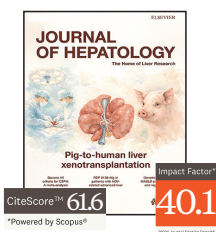

Journal of Gastrointestinal Surgery

Supports Open Access

Official journal of the Society for Surgery of the Alimentary Tract (SSAT)

The *Journal of Gastrointestinal Surgery* is a scholarly, peer-reviewed publication tailored to provide surgeons with cutting-edge advancements in gastrointestinal surgery. Featuring original research articles, concise research communications, comprehensive subject reviews, captivating gastrointestinal images, 'From the Operating Room' video surgical descriptions, letters to the editor, and other pertinent materials related to digestive tract surgery, the journal serves as an exceptional platform for ongoing education in both surgical techniques and gastrointestinal tract diseases.

ISSN: 1091-255X | www.sciencedirect.com/journal/journal-of-gastrointestinal-surgery

Journal of Hepatology

Supports Open Access

Official journal of the European Association for the Study of the Liver (EASL)

The *Journal of Hepatology* is a monthly, peer-reviewed journal and is an international forum for the publication of original articles, reviews and letters to the Editor describing basic laboratory, translational, and clinical investigations in hepatology.

ISSN: 0168-8278 | www.sciencedirect.com/journal/journal-of-hepatology

Gastroenterology and Hepatology Journals 2026

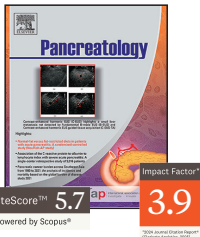

Journal of Liver Transplantation

Gold Open Access

The *Journal of Liver Transplantation* is a peer-reviewed gold open-access e-only publication in the field of liver transplantation publishing research articles on clinical, experimental liver transplantation, combined liver and other organ transplantation, cell and gene therapy in liver diseases.

ISSN: 2666-9676 | www.sciencedirect.com/journal/journal-of-liver-transplantation

Pancreatology

Supports Open Access

Official journal of the International Association of Pancreatology (IAP) and the European Pancreatic Club (EPC)

Pancreatology is dedicated to the understanding and treatment of exocrine as well as endocrine pancreatic disease. This multidisciplinary periodical publishes original basic, translational, and clinical pancreatic research from a range of fields including gastroenterology, oncology, surgery, pharmacology, cellular and molecular biology, and also endocrinology, immunology and epidemiology.

ISSN: 1424-3903 | www.sciencedirect.com/journal/pancreatology

Revista de Gastroenterología de México (English Edition)

Gold Open Access

Official publication of the Asociación Mexicana de Gastroenterología (Mexican Association of Gastroenterology)

The principal aim of *Revista de Gastroenterología de México* is to publish original work in the broad field of Gastroenterology, as well as to provide information on the specialty and related areas that is up-to-date and relevant. The scientific works include the areas of Clinical, Endoscopic, Surgical, and Pediatric Gastroenterology, along with related disciplines.

ISSN: 2255-534X | www.sciencedirect.com/journal/revista-de-gastroenterologia-de-mexico-english-edition

The Lancet Gastroenterology & Hepatology

Supports Open Access

The Lancet Gastroenterology & Hepatology publishes interesting and informative reviews on any topic connected with gastroenterology or hepatology, and considers any original research contribution that advocates change in, or illuminates, clinical practice in these areas.

ISSN: 2468-1253 | www.thelancet.com/journals/langas/home
