

INFORMATION FOR CUSTOMERS

THIS GUIDE IS FOR OUR WE'RE SERVING SITES

We cannot guarantee that our food or drinks are allergen free.

Due to the use of shared equipment in the display, preparation and service of our products there is a risk of cross contamination.

This guide is designed to provide customers with a food allergy, intolerance or coeliac disease with accurate information about our food and drinks, so that they can make an informed choice about the suitability of our products for them:

- For drinks made in store allergen information is contained in this guide
- For pre-packed food and drinks, allergen information is provided on the packaging labels
- All open/opened drink products may unavoidably be exposed to other allergens in store

CONTENTS KEY	
	The allergen is present in the product
	Although this allergen is not an ingredient of the product, it is present in the manufacturing site / factory / supply-chain and therefore there is a risk of cross-contamination
	The allergen is not an ingredient of this product
	The column entitled 'Dietary Choices' details information supplied by the product manufacturer. It does not take into account the in-store storage / preparation methods where there is a risk of cross-contamination

The allergens listed in this guide are those we are required to declare in accordance with EU Food Information Regulations

NOTES

- The drinks in the document show the allergy and nutrition for the drink as served, made to the standard recipe, using semi-skimmed milk, unless otherwise stated
- If you wish to customise your drink by using a different milk or dairy alternative, adding syrups, changing a topping, etc, please use Ingredients section at the end of the guide
- Some of the ingredients used in our drinks may contain sugar and sweeteners
- If you require additional information please ask a member of the team

NUTRITION INFORMATION

- Please note that all our drinks nutrition information has been calculated using published nutrition data and that dairy-based drinks may be subject to some natural seasonal variation
- Nutrition is calculated for Signature Roast Blend (caffeinated) made to brand standard. Information for decaffeinated coffee will be the same
