

“Keep dancing!”

Hey,

It's DJ Ned here, coming in live and direct to you!

I'm super excited to share what's coming up for me, after my awesome 2022 season!

Drumroll please... I've decided to take my DJ skills over to Ibiza, and entertain in sunny Spain!

I know this is a big change, but I promise it'll be OK, I'll still be around to check in on you all, and make sure you're keeping safe.

Make sure you tell Rory all our favourite songs to dance to when I'm not around!

Have a fab day and see you soon.
